Like a wild
Gambler,
He bolts the field,
And goes to hell,
And just right here
In this regard,
Let it be known
There's "no reward."

The Sunday train on the Kentucky Central is well patronized all along the line.

Col. STONE will feel a little better when he applies ice to his head. Riddell stock in this neighborhood is still worth one hundred cents to the dollar.

This case of *Pease* against *Finch* ended in the Circuit Court, on Saturday, by the disagreement of the jury, which stood, we learn, ten for the defendant and two for the plaintiff.

Mr. C. D. NEWELL, who sustained a fracture of the collar bone, on Sunday evening, by being thrown from a buggy near Lewisburg, is getting along well, and hopes to be out again in a few days.

MR. HARRY BRUCE, clerk of the Handy No. 2, has accepted a position on the steamer J. W. Gaff, in the Cincinnati and Memphis trade. Mr. Robert Bruce has temporarily taken his place on the Handy.

Appellate Convention.

Remember the Democratic mass convention to be held at the court house on Saturday, May 24, at 1:30 p. m. Ten delegates are to be selected to represent Mason County in the Appellate convention that meets at Winchester, Ky., on June 4th.

Strawberry Supper.

A Strawberry supper will be given by the Sisters of the Visitation, at Neptune Hall, next Tuesday, Wednesday and Thursday evenings. Contributions from persons who desire to aid in making the occasion a success, will be thankfully received by the good sisters. It is hoped there will be a liberal attendance.

PERSONALS.

Rev. George W. Coons is in the city. Mrs. P. Bower and Mrs. Marshall, of Covington, are the guests of Mrs. Moore, on Wall street.

Mr. Rector Savage passed through the city to-day to attend the district conference at Mt. Carmel, being a delegate from Hebron M. E. Church, South.

Rev. F. S. Politt has accepted an invitation to deliver the annual address to the scholars of Leton Seminary, at Hebron Church, the 8th day of June, being the second Sunday.

Massville District Conference of the M. E. Church, South.

MR. CARMEL, KY., May 21.—The Massville District Conference of the M. E. Church, South, will convene in this place to-day at 9 a. m. Your correspondent arrived last evening and is receiving every kindness at the home of Mr. J. T. Power. Mr. McCarthy's large omnibus was crowded with ministers, lay-delegates and visitors to the conference.

The accompanying driver was in a genial mood, and was evidently in a decided interest in the Methodist Conference.

We are pleased to find in attendance at the conference Mr. Jas. F. Robinson and wife, and Mrs. John Bruer and daughter of your city.

Last evening Rev. J. S. Sims preached in the Methodist Church from Genesis VI, 4; "There were giants on the earth in those days." The speaker alluded to the revelations of geological science in reference to the huge animals that once inhabited the earth, much larger than any of the present time. Sacred history teaches that there were orders of men in ancient times correspondingly larger than any that exist to-day. Yet there are giants now. Giants physically, giants intellectually, giants morally, and giants spiritually. The sermon was replete with beautiful figures, was delivered with grace and power, and was listened to with marked attention.

Rev. W. T. Benton, the pastor in charge at this place, said at the conclusion of the service that his people were glad to have the conference. Dr. W. H. Anderson, of Carlisle; Dr. J. A. Henderson, of Massville; J. S. Sims, of Flemingsburg; D. B. Cooper, of Millersburg; J. W. Brock, of Vanceburg; W. T. Benton, of Mt. Carmel; H. C. Wright, of Bethel; R. H. Whitman, of Hillsboro; S. A. Day, of Mt. Olivet; E. F. Oney, of Concord; F. S. Politt, of Washington,

Mar Court of Claims, 1884.

white teeth are more frequently seen than formerly. This is because our ladies have given the secret of their approbation to azoosol, foremost among the toilet articles. This superlatively pure and salubrious preparation checks the further decomposition of the teeth, removes impurities which obscure their natural hue, strengthens them and makes the gums healthy and hard coral, and communicates sweetness and rosiness to the mouth.

The Ice Question.

Where do you buy your ice? The Massville Artificial Ice Company is selling the best ice in the world at less price than is usually asked for inferior ice. Send your orders to the office on Wall street, or give them to the driver of the delivery wagon. may12M

THE POLITICAL ARENA.

Geniuneness of the Blaine Conference in New York Questioned.

An Attack On the Arthur Boon-The Latest From Tilden Is That He Will Accept a Nomination if It Is Tendered.

New York, May 21.—The reported conference between the friends of Blaine, at which it is stated that Governor Foster, of Ohio; Senator Harrison, of Indiana; Collector Robertson and ex-Senator Platt were present, and telegraphed to certain western newspapers, has given rise to considerable speculation. It is said that the purpose is to give some eastern man the Presidential nomination at Chicago, and an Ohio or Indiana man the Vice Presidency. If such a conference was held it is believed it was with a view, in the event of Blaine failing to get the nomination, to throw the Blaine forces to other Edmunds, Hawley, Lincoln or Foraker. It would probably be Edmunds and Lincoln, or Hawley and Foraker. Yet there is certainly a very significant feature about this reported conference that is lacking to give it the semblance of genuineness. Where the conference was held, except that it was held in this great city, is not stated, and a well-informed Republican said to-day, while discussing the matter, that no such meeting in fact was held. In other words, it is a "four cornered" thing. It is well-known when a meeting of such significance as this is said to have been, is held, the newspaper man who chronicles the event never forgets to say where it was held, and just when. "An important conference during the past week" is too vague, and the best informed Republicans have put no confidence in the truthfulness of the report. It is known that Robertson and Platt do not "lie down together" in peace and harmony. Platt resigned the United States Senatorship rather than vote for the confirmation of Robertson as Collector of New York, and it is also well known that Senator Harrison is not so enthusiastically in favor of Mr. Tilden as he is of Senator Harrison.

Assault on Arthur's Room.
PHILADELPHIA, May 21.—To-day's Times publishes an open letter to ex-Secretary Bristow from ex-Attorney General Wayne MacVeigh, which is an attack upon President Arthur's candidacy for re-election. He speaks of Gutzwiller as the original Arthur man, thinks money should repress the President's ambition, brings up the "Indian" story, and dwells upon the Harney Biglin and John McCord faction of the President's supporters. Bristow is one of the speakers at the Arthur mass meeting to-morrow night at Cooper Union, New York.

Tilden Will Accept.
WASHINGTON, May 21.—Representative Cassidy, of Nevada, speaking of the recent visit of a Pacific coast delegate to Mr. Tilden, says:
"The only reference made to politics was when a member said: 'Governor, we are all Tilden men, as are all the Democrats on the Pacific coast.' In reply the Governor said: 'I am not a Tilden man,' which was construed by some that he would not be a candidate. For my own part I left Mr. Tilden in the firm conviction that he will gladly accept the nomination if tendered to him."

Heel and Toe.
DENVER, Col., May 21.—A six-day walking match, heel and toe, between Hart, of Chicago, and Edwards, the Australian champion, opened here yesterday. At the end of the first twenty-four hours Hart, who had retired at 10 o'clock, had won 104 miles and nine laps, and Edwards, who was still on, 111 miles and nine laps. The race is for \$300 a side.

The Edwards Killing.
AUSTIN, Tex., May 21.—Bartles, brother-in-law of the deceased Col. L. B. Edwards, has made affidavit against T. J. Wrenn, who cut Edwards, which resulted in his death. Wrenn was placed under \$50,000 bonds.
